Register Your 711 Choice

You can dial 711 and have your California Relay Service (CRS) calls answered immediately in the language, modality, and/or by the relay provider of your choice. Once you establish your 711 Choices, your information is shared with both relay providers to make all of your calls quick and easy.

Please provide the following information:

1. Your telephone number: _____
2. Your name (optional): _____
3. Preferred relay provider: AT&T Relay Hamilton Relay No preference
(I want to use both providers)
4. Preferred modality: TTY Voice VCO

 HCO STS ASCII
5. Preferred language: English Spanish
6. Security password (optional): _____

You can register your 711 Choice by calling the Customer Service of either of our CRS relay providers. You can also mail, fax or email the form, or submit your 711 Choice online on the provider's website.
