

California Telephone Access Program Small Business Application

A Program of the California Public Utilities Commission

(For use **ONLY** by individual employees requesting equipment for themselves)

Business Name (Please Print)	()	Area Code	Telephone Number
Business Address	City		
State	Zip Code	()	Area Code Fax Number
Name of Certified Employee		()	Area Code Residential Phone Number
<ol style="list-style-type: none"> 1. Authorized business application signature certifies that business has no more than 14 employees. 2. Prompt notification to the California Telephone Access Program (CTAP) is necessary if the certified employee is no longer employed by your business. To notify CTAP, please call 1-800-806-1191. 3. Applicant must already be certified in our program for residential use of equipment. If they are not already certified, they must also complete a CTAP Program Application Form and return both forms at the same time. 4. In order to qualify, the Residential phone number and Business phone number cannot be the same. This is subject to verification.
